

**Art.nr: 1621-50**

# NM Hyper Plate Kit

These three high-quality components provide a secure attachment to felt and fabric roofs. The bolt and nut are made of strong and durable material with a C4-class surface treatment, along with an EPDM washer. Packaged in sets of 50.

## Performance

Our products are designed and tested to make installation as hassle-free, easy and safe as possible. Feel free to contact us if you have any questions, and we will be happy to help you.
