NM Joint Cable Connection

NM Joint Cable Connection is a connector for the NM Cable Protection system. The product is optimized for 90-degree connections but also works as an elegant end finish for cable protection sections. The connector is available in four colors – silver, black, white, and brick red.

Performance

Our products are designed and tested to make installation as hassle-free, easy and safe as possible. Feel free to contact us if you have any questions, and we will be happy to help you.
