NM Charge Holster

The NM Charge Holster is a flexible and practical holder for both the charging cable and Type 2 connector, making charging smooth and organized. The holder can be mounted on our NM Charge Post, either as a single or double setup, or directly on a facade for a wall-mounted charger. Its robust construction ensures long-lasting durability, while the elegant black design blends seamlessly into any environment.

Performance

Our products are designed and tested to make installation as hassle-free, easy and safe as possible. Feel free to contact us if you have any questions, and we will be happy to help you.
