NM Charge Post

NM Charge Post is a flexible solution for all leading charging boxes. It can be equipped with one or two backplates, depending on whether it will hold one or two charging boxes – which can be of different models. The post is compatible with existing 60 mm pipes and foundations but is also delivered with a new pipe. With its robust design, high-quality finish, and practical inspection hatch, NM Charge Post is easy to install and designed to meet future needs.

Performance

Our products are designed and tested to make installation as hassle-free, easy and safe as possible. Feel free to contact us if you have any questions, and we will be happy to help you.
