

Art.nr: 3550

NM Hyper Hanger Bolt

NM Hyper Hanger Bolt is primarily used for fibre cement or eternit roofs, but also other types of roofs. The bolt is screwed through the plate and directly into the truss, offering a 130 mm margin for fine adjustment. The screw is stainless steel, and the washer is ZM310.

Performance

Our products are designed and tested to make installation as hassle-free, easy and safe as possible. Feel free to contact us if you have any questions, and we will be happy to help you.
